Dear Parents,

The Bryant High School Staff would like to include all players in our annual Hornet Baseball Winter Camp. We will cover the basics of the game including form running, base running, throwing, catching, hitting, fielding, infield & outfield play and game situations.

Our goal is to teach each child the correct fundamentals in every area of the game as well as to supply as many repetitions as possible for each player in order to improve and to give an atmosphere that is fun and rewarding.

We hope you consider sending your child to camp and we look forward to seeing your player there. Please bring this form with you to the camp.
